MUSTARD and products based on mustard			X
SESAME SEEDS and product based on sesame			X
SULFUR DIOXIDE AND SULPHITES at concentration of more than 10 mg/L expressed as SO ₂			X
LUPINS and product based on lupins			X
MOLLUSC and products based on mollusc			X

MICROBIOLOGICAL PARAMETERS:

Total Microbial Count	< 10 ⁷
Coagulase positive Staphylococci	n.d.
Mold	< 10 ⁵
Yeasts	< 10 ⁵
Escherichia coli B-glucuronidase positive	< 10 ⁴
Salmonella Spp	n.d.
Listeria monocytogenes	n.d.
Sulphite reducing Clostridia	n.d.

ANALYSIS:

Bacillus Cereus	< 10 ⁵
AflaToxins (B1,B2,G1,G2,M1,M2)	< 10 ppb

PRODUCTIVE PROCESS:

The herbs – organic, OGM-free and freshly harvested – are dried using an innovative “open-cell” system, that takes away the water but keeps the cellular membrane intact, as well as the active ingredients, the aroma and the flavor.

After being cleaned, sieved, milled in the right size, mixed in proper proportions following traditional recipes, the herbs are “naturally” cleaned from their bacterial load and packaged in double-wrapped filters in organic cotton, without wire staples, using solar energy from a 27 Kwp photovoltaic system.

FLOWCHART:

FOOD SAFETY TEAM

NAME	TITLE	PHONE
Giovanna Gallian	HACCP manager	
Michele Fasano	CEO; quality control officer; ORA coordinator	3487158953
Rita Pecorari	Quality control manager	

METHODS OF CONSERVATION

Store in a cool and dry place.

EXPIRING DATE (shelf life)

36 Months.

SHORT DESCRIPTION OF THE PRODUCT:

Herbal dietary supplement that helps in relieving constipation and promoting regular bowel movements.
